AUDIPY

Packages and prices. Transparently calculated.

AUDIPY without AI or with AI, plus the AuditPlus add-on. All packages include the full Analyzer and the XRechnung tool.

AUDIPY Basic

Offline without AI connection, maximum data security. Versatile analyses and interactive visualisations.

FROM

99 € / month*

monthly payment: 125 € / month

AUDIPY AI Starter

Basic package plus data protection compliant AI functions with limited use.

FROM

119 € / month*

monthly payment: 145 € / month

RECOMMENDED

AUDIPY AI Pro

Basic package, unlimited AI queries and 200 Logic² per month: Ask-my-Data chat and AI-supported analyses.

FROM

139 € / month*

monthly payment: 165 € / month

* per licence and month with annual payment, net prices plus statutory VAT.

ADD-ON

AuditPlus

Prepared imports (DATEV, SAP DART), audit steps, data models and dashboards. Can be added to any AUDIPY licence, same term and payment interval.

+ 39 € / month*

monthly payment: 45 € / month

LARGE TEAMS

Enterprise

Individual solution including support and customisable, scalable volume licences.

on request

Terms

- 12-month minimum term, then automatic renewal for 12 months at a time. Notice of termination up to 1 month before expiry.
- Payment monthly or annually in advance by invoice. Annual payment works out cheaper per month.
- Price per licence, one licence per workstation. The offer is aimed exclusively at companies, the self-employed and freelancers.
- For plAIground users, the Basic licence is sufficient: the AI comes via the plAIground, AMY is fully integrated.
